Thanks Dave. Is that all happening under the idea that they are firmly holding to their time horizons?

Subject: Covanta update

Walter Mugdan, Mary Mears (Public Affairs Director) and I spoke to Tim Watkins today regarding ORD proposed plans in Rahway. We will proceed in a step-wise fashion on coordination and consult with NJDEP at the RA-Commissioner level, then outreach to local and likely federal electeds, community groups, etc. prior to any testing. Will update you early in the week on where things stand. Tim is briefing the ORD director tomorrow. Thanks for your time today.
